Sir,

Sub: Sales promotion letter

We hereby authorize **M/s SUN SUNG LEE ENGINEERING SDN. BHD.** (Company No: 065729-U) incorporated in 1980 under the Malaysian Company Act-1965 having registered office at No.1521, Ladang Valdor, Sungai Bakap, 14200 Sungai Jawi S.P.S., Pulau Pinang, Malaysia to undertake SALES & MARKETING of YOSHIMINE BOILER PRODUCTS.

They are authorized to manufacture and sell the YOSHIMINE standard boiler models for use in Palm Oil Industry burning palm fruit shell & fiber and kernel shell as boiler fuels. The range of boilers, type and steam generation capacity are specified below:

Brand Name : Yoshimine Water Tube Boiler
Type : H-450, H-600, H-750, H-900, H-1100 & H-1300
Capacity : 15 t/hr, 20 t/hr, 25 t/hr, 30 t/hr, 35 t/hr and 40 t/hr

M/s SUN SUNG LEE ENGINEERING SDN. BHD. shall manufacture the range of YOSHIMINE brand boilers mentioned above under the license of our Company. YOSHIMINE shall provide the necessary engineering and supervisory services to M/s Sun Sung Lee Engineering Sdn. Bhd. to supply the YOSHIMINE brand boilers.

The validity period for undertaking such sales & marketing activities will be 3(three) years from date of issuing this document.

The starting date of enforcement for this promotion letter is from 1st June-2020.
